Tool #3 The ABC's of the Kingdom of God

Years ago, the Lord gave me a revelation regarding bible reading and the secret knowledge of having a very good scriptural understanding. I call it the **ABC's of the Kingdom of God**. The Lord had me to write all the scriptures where I knew all the words along with where they were found in the bible without the assistance of the bible or any other sources. Go ahead and try it...you may give yourself **7 minutes.**

The scriptures are the colors by which the artist can dip their brush into and create beautiful art on a canvas. Our Lord uses our scriptural knowledge and revelation to do the same within our lives. Therefore the more scriptural knowledge and revelation we have, the more "colors" He has to use. Matthew 13:12 For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath. Hebrews 5:12 For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. 13 For every one that useth milk is unskilful in the word of righteousness: for he is a babe. 14 But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil. I welcome you to "Exercise your senses" as you follow the exercises in this course. *The words are: A, Ab, Abaca, Abba, Baa and Cab. Having a predominant amount of "words from God," as it relates to revelation knowledge and understanding will give you tremendous results through being led of the Spirit of God and attaining His Kingdom results in your life.

A major point here is that we think in images. In the book Guard Your Heart, I introduced how I used to travel throughout the country when I worked at the Postal Service assisting groups in advancing in success attainment by bringing one person to the front and asking them if they would follow my instruction in a very easy task. Their response was always yes. I would then speak the request to myself so that they couldn't hear and of course they could not follow unheard instructions. Lastly, I would speak the request aloud and they would perform the task. The point that was made was until a person hears they cannot receive the image within their mind to achieve the task. It's the same with faith. Faith only comes after you have heard a word from God. (So then faith cometh by hearing, and hearing by the word of God. Romans 10:17, Romans 4) The Lord tells us that out of the abundance of the heart, the mouth speaks. (Luke 6:45) This is why we need an abundance of revelation from God's word in order to obtain His Kingdom results. Success has an image, good relationships has an image, prosperity, direction, prayer effectiveness all have images just as does healing.
